MEMORANDUM FOR THE RECORD

SUBJECT: Allocation of Space

25X1A9A

1. On 9 June 1953, [REDACTED] Chief of Administration, Office of the Deputy Director (Plans), telephoned to say that he had understood that we were concerned about his qualified concurrence in our current space plan. His concurrence said, in substance, that the Deputy Director (Plans) concurred only with the understanding that the Deputy Director (Administration) had stated that no more space was available to the DD/P complex in I, J, K, and L Buildings.

2. After some discussion, [REDACTED] assured me that his remark was not meant to be a nonconcurrence and that he was perfectly satisfied that the Office of the Deputy Director (Administration) had done the best that it could for the entire Agency under the circumstances but that he merely wanted to record that the Office of the Deputy Director (Plans) still wanted more space in the I, J, K, and L Buildings area.

3. In view of this, I told [REDACTED] that I wanted to insure that there was no feeling that the Office of the Deputy Director (Administration) had not done the best that it could under the circumstances and, having received this assurance, we would proceed to implement the plan. 25X1A9A
